## „ION Scale Buster“

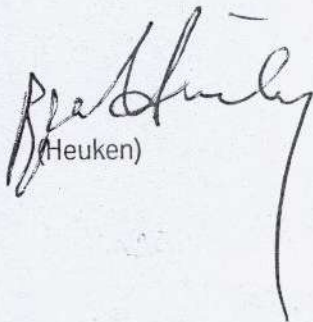

Dear Mr. Shim,

THYSSENKRUPP WOHNIMMOBILIEN GMBH is one of the biggest real estate companies in Germany. So far 773 ION Scale Busters produced by the company ION DEVICES have been installed in order to protect the waterpipes against corrosion. Now more than 6.164 flats gain water through these protected pipes.

Further ION Scale busters will be installed in the near future.

Best regards
